*Proceedings of the Madras Government, Public Works Department,
15th January 1864.*

No. 318. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Thoovaruncooroochy, 5th January 1864, No. 1,601 :—
SIR,

1. I have the honor to request further instructions as to Government Order No. 3,810 of the 23rd December, as I know not from what source Mr. Wait's salary is to be continued, or if it is intended that his services should be entirely dispensed with.

2. I have already brought to the notice of Government that his salary forms a very heavy charge to the Pambem works, and uselessly now, as the steam dredge is not at work.

No. 319. ORDER THEREON, 15th January 1864, No. 157.

1. The Superintending Engineer, 8th Division, should be aware that Mr. Wait's salary does not form a charge against the Estimate for the Pambem work, but is met from Part III of the Public Works Budget under the Proceedings of Government No. 1,646, dated 23rd June 1863.

2. Captain Moberly will be requested to report distinctly, with reference to the Orders marginally noted, whether Mr. Wait's services are now required at Pambem, for if not, he might be employed with advantage in the Coimbatore District.

No. 33, 6th January 1864.
