*Proceedings of the Madras Government, Public Works Department,
15th January 1864.*

No. 320. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Cottamputti, 6th January 1864, No. 1,608 :—

SIR,

1. Referring to my No. 1,585 of 23rd December 1863, I have the honor to forward an application from the Clerk and Examiner in my Office, who was formerly the head of the District Office in Tinnevely and of the Civil Engineer's Office, 8th Division, and trust that the Government will be pleased to consider his claims specially.

2. He has had more practical experience than most of the members of the Executive Department in this Division, having constantly accompanied Colonel Horsley and the other Civil Engineers on their tours; it is notorious in the Division that he was not entered among the executives in the organization of 1857, because he was so useful in the Office that the Civil Engineer was anxious to avoid his loss, his subordinates in the Office have consequently passed him in promotion.

No. 321. ORDER THEREON, 15th January 1864, No. 158.

With reference to paragraph 2 of G. O. No. 103, dated 12th January 1864, the Superintending Engineer, 8th Division, is authorized to employ Vyapuri Pillay as a Táluq Overseer until the services of a passed Candidate are available.

Vice Mr. Telford resigned.
