*Proceedings of the Madras Government, Public Works Department,
16th January 1864.*

No. 322. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 6th January 1864, No. 251:—

SIR,

1. With reference to Order of Government No. 3,623, dated 9th December 1863, I have the honor herewith to enclose the proceedings and verdict of the Court of Inquest, held on the body of the cooly who

met his death as stated in my letter No. 223, dated 1st idem.

2. There seems no reason whatever to doubt the correctness of the statement made by Mr. Taluq Overseer Connors, to the effect that the man's death was caused entirely by his disregard of positive orders not to dig gravel in the identical pit where the accident occurred.

No. 323. ORDER THEREON, 16th January 1864, No. 159.

Ordered to be recorded.

(True Extract.)

(Signed) CHARLES, A. ORR, Colonel, R. E.,
Secretary to Government.
