*Proceedings of the Madras Government, Public Works Department,
16th January 1864.*

Read the following papers :—

No. 342. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E.,
Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Masulipatam, 3rd November 1863,
No. 3 :—

SIR,

1. With reference to your Memorandum No. 145, dated 26th October 1863, calling on me
to report whether any portions of the funds (Imperial or Income Tax allotted) to the 2nd Division
are likely to remain unspent. I have the honor to inform you that the expenditure on irrigation
tanks in Nellore District will probably fall short of the allotment by at least 10,000 Rupees.

2. I shall take care to report whether any further sums will be available for transfer to
other Districts as soon as I can judge with tolerable accuracy of the probable expenditure on
various works for the remainder of the official year.

No. 343. Read the following Proceedings of the Madras Government in the Military
Department :—

Approving, for execution, the Estimates amounting to }
Rupees 15,500 for repairing the roof and renewing the } (Here enter 13th January 1864, No. 131.)
floor of the five ranges of temporary European Infantry }
Barracks at Trichinopoly.

No. 344. ORDER THEREON, 16th January 1864, No. 169.

1. The foregoing Proceedings in the Military Department will be communicated to the
Superintending Engineer, 6th Division, for information and guidance.

2. In his letter recorded above the Superintending Engineer, 2nd Division, reports that a
sum of Rupees 10,000 is available from the current year's allotment for the Nellore District
under the head "Tanks." This amount will now be transferred to the credit of the Superin-
tending Engineer, 6th Division, as an instalment of the amount of the Estimate now sanctioned.
