*Proceedings of the Madras Government, Public Works Department,
11th July 1864.*

No. 189. Read the following letter from Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 5th July 1864, No. 589 :—

SIR,

1. In reply to Government Order No. 1,400, dated 13th May 1864, paragraph 7, directing the submission of certain Estimates in the several Divisions entered in the Budget of 1864-65, but which had not yet been formally sanctioned by Government, I have the honor to state that the following works appertain to my charge, as entered in the list attached to the above paragraph :—

District.	Item No. Budget of 1864-65.	Description of work.	Expenditure allowed in Bud- get of 1864-65.
Tanjore ...	46	Forming a new road direct from the Pans to the Vadi No. 3, near the Railway station to Negapatam...	rs. 2,000
Trichinopoly	S	Improvement to privies of Battery of Artillery to introduce the dry system ...	1,500
Do. ...	S	Do. of European Infantry Regiment ...	2,190
Do. ...	S	A Racket and Five's Court for Artillery ...	6,160
Do. ...	S	Apothecary's quarters for Artillery ...	3,800

The first Estimate in the Tanjore District, I regret to say, I cannot yet forward, but I shall submit it in two or three days. The delay has been occasioned by the inattention displayed to my orders by the Range Officer, Mr. H. Roberts.

2. I beg to enclose herewith the Estimates amounting to Rupees 1,500 and 2,190 for introducing the dry conservancy system into the privies of the Artillery and European detachments at Trichinopoly.

3. As regards the latter Estimates, it appears that they have already been submitted to Government, and sanctioned for entry in the Budget of 1864-65, but there is a discrepancy in the amount shown. In the late Superintendent Engineer's letter* to your address, as per margin, embodied in Order No. 76, dated 8th January 1864, Military Department, and which was communicated in Public Works Order No. 143, dated 15th January 1864, to Lieutenant-Colonel Foord, Estimates for the Racket and Five's Court and Apothecary's quarters for the Artillery were sanctioned for entry in the current Budget. The amount of the former Estimate, however, was Rupees 10,580, and it is now shown in the Government list as Rupees 6,160, and I cannot account for the difference exhibited. Neither the Racket Court nor the Five's Court Estimate alone makes up this latter sum.

* Rupees 6,570.

† " 4,010.

No. 40 and 197, dated 7th and 30th June 1864.

4. I regret, with advertence to your Memoranda as per margin, that any delay should have occurred in replying to this Order, but I have already explained the cause as regards the Salt Vadi at Negapatam, and with reference to the Military buildings at Trichinopoly, the Estimates were originally prepared by the late District Engineer of Trichinopoly, and on drawing them out again in this Office discrepancies were observed which it has taken some time to adjust.

Do. S. Apothecary's Quarters

The first Estimate in the Tanjore
District, I regret to say, I cannot
yet forward but I shall submit it
in two or three days. The delay has
been occasioned by the inattention
displayed to my orders by the Range
Officer Mr. H. Roberts.

2 I beg to enclose herewith
the Estimates amounting to Rs 1500
and 2190 for introducing the dry
conservancy system into the Prince
of the Artillery and European Regiments
at Trichinopoly.

3 As regards the latter
Estimates, it appears that they have
already been submitted to Government
and sanctioned for entry in the Budget
of 1864/65, but there is a discrepancy

in the amount shown. In the case
Superintending Engineer letter to your
address, as per margin, embodied in

sanctioned for entry in the current
Budget. The amount of the former
Estimate, however, was Rs 10,580, and
it is now shown in the Government

the Racket Court nor the Five
Court Estimate alone makes up
this latter sum.

4. I regret, with adherence to

already explained the cause as regards
