No. 397. Report on letter from the Superintending Engineer, 7th Division, dated 24th June 1864, No. 44, referred to this Office by Government on the 30th June 1864.

1. The Controller and Auditor of Public Works Accounts has the honor to report that the transfers proposed by the Superintending Engineer, 7th Division, have been verified and proved correct by comparison with the Progress Report of the Malabar District with one exception, viz :—

2. The transfer of Rupees 1,071 to the head "Accommodation for Travellers," recommended by the Superintending Engineer, will not balance the allotment with the expenditure under that head on account of the omission to take into account a reduction made from this head by transfer to Coimbatore of a sum of Rupees 1,894 under G. O. 13th February 1864, No. 448. An equivalent amount will therefore have to be added to the allotment for Accommodation for Travellers to make up for this omission.
