*Proceedings of the Madras Government, Public Works Department,
22nd July 1864.*

No. 402. Read the following Memorandum from J. D. SIM, Esq., Secretary to Government, Judicial Department, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Fort Saint George, 12th July 1864, No. 368:—

The Secretary to Government has the honor to transmit the letter noted in the margin, together with the Estimates which accompanied it, and to inform Colonel Orr that the work, being necessary for the security of the Court Houses at Rajahmundry, may be sanctioned for immediate execution.

From J. R. KINDERSLEY, Esq., Acting Civil and Session Judge of Rajahmundry, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Rajahmundry, 30th June 1864, No. 179.

SIR,

1. I have the honor to acknowledge the receipt of Proceedings Madras Government, Judicial Department, dated 18th March 1864, calling upon the Session Judges to report upon the security of the Court Houses in their respective Zillahs, stating at the same time the nature and probable cost of any improvements that may be required.

2. I have the honor to report that my own Court and that of the Principal Sudder Ameen may, for a trifling outlay, of which I have the honor to submit detailed Estimates, be put in a state of tolerable security. The present practice is to shut the Court Houses in the evening in the presence of a Police man, who is understood to visit them in the course of the night, and to patrol the immediate neighbourhood. It is of course necessary, under the present system, to trust largely to the vigilance of the Police, without which the Courts could not be secured except at a great expense.

3. Large sums of money are never kept in the Courts, and therefore there is but little inducement for common thieves to break into them.

No. 403. ORDER THEREON, 22nd July 1864, No. 2,109.

1. The Governor in Council sanctions the Estimates amounting respectively to Rupees 150 and Rupees 155, for improvements to the Court Houses of the Civil and Session Judge and Principal Sudder Ameen at Rajahmundry.

2. The works may be at once proceeded with, their cost being charged against the Reserve under "Civil Buildings."
