*Proceedings of the Madras Government, Public Works Department,
20th January 1864.*

No. 425. Read the following letter from Lieutenant-Colonel A. C. PEARS, Postmaster General, Madras, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 24th December 1863, No. 5,590:—

SIR,

1. I have the honor to state, for the information of His Excellency the Governor in Council, that I have submitted a recommendation to the Director General of the Post Office in India for the transfer of the portion of the Mail Cart Establishment on the road between Tindevanum and Trichinopoly to the road between Salem and Trichinopoly, by the carrying out of which arrangement I anticipate a gain in the time of the transit of the Mails as well as a saving in the cost of Establishment, and I am in hopes of receiving sanction very shortly.

2. In March 1861, the Engineer reported favorably of the latter named road, but I have been informed by parties who had recently travelled over it that it is in a very bad condition at present. As this will interfere with the arrangement referred to, I beg that orders may be passed for the improvement of the road in question at an early date.

Transferred to the Public Works Department.

(Signed) A. J. ARBUTHNOT,

30th December 1863.

Chief Secretary.

Do. 10,000 in Trichinopoly limits.
