SIR,

1. I have the honor to submit copy of a letter to the address of the Director General of the Post Office, No. 20, dated the 25th May last, recommending the construction of a building for the purposes of the Post Office at Vizagapatam, and of his reply thereto, No. 487, dated 20th ultimo, conveying a Departmental approval to the measure; and with reference thereto, request Government will be pleased to pass orders for the inclusion of the project in the Public Works Budget agreeably to the provision at page 31, paragraph 99 of the Public Works Code.

2. The Plan and Estimate referred to in the correspondence are herewith forwarded.

From Lieutenant-Colonel A. C. PEARS, Post Master General, to the Director General of the Post Office in India, Calcutta, dated Madras, 25th May 1864, No. 20.

SIR,

1. I have the honor to request your approval to the construction of a building for the purposes of the Post Office at Vizagapatam as per Plan and Estimate,* amounting to Rupees 2,550 by the Department of Public Works.

2. The station of Vizagapatam is the head quarters of the Revenue District of the same name, and the head quarters of the Northern Division of the Army, &c., and consequently, a place of importance, and as such it is very desirable that the Post Office there should be provided with suitable accommodation. But it has for some time past been held in a Native house at one end of the station, and there is no prospect of an eligibly situated house containing the requisite accommodation being procured on reasonable rent.

From A. M. MONTEATH, Esq., in charge of the Office of Director General of the Post Offices in India, to Lieutenant-Colonel A. C. PEARS, Post Master General of Madras, dated Calcutta, 20th June 1864, No. 487.

*Proceedings of the Madras Government, Public Works Department,

From Lieutenant-Colonel A. C. PEARs, Post Master General, to the Director General of the Post Office in India, Calcutta, dated Madras, 27th May 1864, No. 22.

SIR,

1. I have the honor to inform you that the Post Offices at Kimedy and Bimlipatam are held in buildings for which rents of Rupees 3 for each is paid at present.

2. The one at Kimedy is in fact a thatched hut, and that at Bimlipatam although tolerable as a Native dwelling house, is unsuited both by its situation and disposition of its accommodation for the purposes of the Post Office.

3. Other than thatched huts are not procurable at the former station, and another house of any kind in the desired locality, viz., the beach is not procurable at the latter station.
