*Proceedings of the Madras Government, Public Works Department,
22nd July 1864.*

No. 417. Read the following letter from Lieutenant-Colonel W. F. MARRIOTT, Secretary to the Government of Bombay, Marine Department, to the Secretary to the Government of Madras, dated Bombay Castle, 7th July 1864, No. 481:—

SIR,

This Government has received an application from Mr. George Clements, 3rd Class Engineer, late Indian Navy, a copy of which is annexed, claiming batta for service on detached duty in the Public Works Department at Madras from 1859 to 1863. As the claim is stated to be founded on promises by the Chief Engineer at Madras for work done for the Madras Government, I am desirous to refer the application with a request that reply may be sent to Mr. Clements through the India Office.

From Mr. GEORGE CLEMENTS, late 3rd Class Engineer of H. M.'s India Navy, to the Secretary to Government, Marine Department, Bombay, dated Strangers' Home, Colaba, 20th June 1864:—

SIR,

I have the honor to inform you I sent in a claim to Captain Young, C.B., Superintendent of Bombay Marine, in August last or thereabout, for batta money for serving on detached duty in the Public Works Department, Madras, as per Articles in Naval Pay and Audit Regulations of the Indian Navy, showing that I am entitled to the same.

Now as I am about to proceed to Europe at an early date, I beg the same may be looked into, and that you will be pleased to grant me an answer at your earliest convenience. I have called at the Superintendent of Bombay Marine's Office, and I am from there informed it is still before Government.

If it cannot be decided on previous to my going to Europe, I beg to be informed if I am to leave my address here or apply to Sir Charles Wood on my arrival in London.

I was paid off from the Navy in October last, and received everything but the batta money now in question.

Transferred to the Public Works Department.

(Signed) J. D. SIM.

Secretary to Government.

No. 418. ORDER THEREON, 22nd July 1864, No. 2,116.

Mr. Clements will be requested to submit his claim in a more definite form, showing clearly the precise period to which it refers; the "detached duty" on which he was employed; the amount to which he considers himself entitled, and the rule under which the claim is submitted.
