*Proceedings of the Madras Government, Public Works Department,
23rd July 1864.*

No. 434. Read the following letter from Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Major J. H. M. SHAW STEWART, R. E., Deputy Secretary to Government, Public Works Department, dated Tanjore, 20th July 1864, No. 790 :—

SIR,

1. In the Orders of Government just received, dated 12th July 1864, No. 2,010, reviewing the Report furnished by the Board of Revenue on the Local Fund operations of 1862-63, the small amount of expenditure in comparison with the receipts under the several minor headings which make up the aggregate income of the Local Funds, is considered very unsatisfactory:

2. As Government, therefore, lay great stress on the full expenditure from the District Conservancy Fund to the extent of its receipts, and, more especially, as one quarter of the current year will soon have expired, I have the honor to request permission to proceed with the works in my Division in anticipation of the Budget of 1864-65 being sanctioned.

No. 435. ORDER THEREON, 23rd July 1864, No. 2,125.

The attention of the Superintending Engineer, 6th Division, will be requested to the Orders conveyed in Revenue* Proceedings, No. 1,245, dated 15th July 1864.

(True Extract.)

(Signed) J. H. M. SHAW STEWART, Major, R. E.,
Deputy Secretary to Government.

To the Superintending Engineer, 6th Division.
