*Proceedings of the Madras Government, Public Works Department,  
26th July 1864.*

---

Read the following papers:—

No. 455. From Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 26th May 1864, No. 455.

Sir,

1. I have the honor to submit for sanction Plan and Estimate, Rupees 2,800, which has been prepared at the requisition of the Sessions Judge, Chingleput, for extending the Loom House attached to the Jail at that station.

2. Both Plan and Estimate were sent by me to the Inspector General of Jails for approval, but were subsequently received back from him without any endorsement, letter, or counter-signature. The design, however, was made out in accordance with his suggestions, and as the Estimate has been approved of by the Sessions Judge, who is particularly anxious that it should be carried out this year, I recommend that funds for the purpose be allotted from the appropriated Reserve under the head "Civil Buildings."

Referred to the Judicial Department.

*Chepauk,  
27th May 1864.*

(Signed) CHARLES, A. ORR, Colonel, R. E.,  
Secretary to Government, D. P. W.

1. Referred to the Inspector General of Jails for report.

2. Mr. Rohde will state why he returned the Plan without his signature and without any remarks.

*Fort Saint George,  
31st May 1864.*

(Signed) A. J. ARBUTHNOT,  
Chief Secretary.

To the Inspector General of Jails, with two enclosures.

No. 456. Memorandum from J. D. SIM, Esq., Secretary to Government, Judicial Department, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Fort Saint George, 20th July 1864, No. 387.

The Secretary to Government has the honor to return the letter noted in the margin, together with the Plan and Estimate which accompanied it, and to inform Colonel Orr that under the explanation given in the accompanying letter from the Inspector General of Jails, dated 4th July 1864, No. 55, it would not be necessary to sanction the extension of the Loom House attached to the Jail at Chingleput.

From J. ROHDE, Esq., Inspector General of Jails, to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated Ootacamund, 4th July 1864, No. 55.

Sir,

In acknowledging your Endorsement of the 31st May on Colonel Boileau's letter to Colonel Orr, 26th May last, I have the honor to state that the extension of the Loom House was thought inadvisable, as it seemed prudent to remove the manufacture to the Salem Jail, where it could be carried on within the prison, which is not the case at Chingleput. I believe the plans were returned at the request of the Engineer, and if this was not stated on a wrapper it was an unintentional omission.

No. 457. ORDER THEREON, 26th July 1864, No. 2,136.

The Superintending Engineer, 4th Division, will observe from the papers recorded above that the extension of the Loom House attached to the Jail at Chingleput is unnecessary.

Deputy Secretary to Government.

On acknowledging your
