*Proceedings of the Madras Government, Public Works Department,
28th July 1864.*

No. 490. Read the following letter from Captain J. LAN, R. E., Officiating Superintending Engineer, 6th Division, to Major J. H. M. SHAW STEWART, R. E., Deputy Secretary to Government, Public Works Department, dated Tanjore, 19th July 1864, No. 773 :—

SIR,

1. In the Order of Government as per margin, Messrs. W. Donaghue and C. Seton were promoted to the rank of Special Supervisors, 2nd Class, and directed to join my Division from North Arcot and Cuddapah. Both these subordinates have since joined my Division, but on observing that they had no Establishment, I applied* to the Controller to know whether they were entitled to the same offices as Taluq Overseers, who replied† that the question must be referred to Government.

2. As the two Supervisors are appointed for special service, and will be employed on surveys and other work requiring the assistance of two Lascars, and even of an Office Gomashtah, special Establishments, I consider, should be allotted to them, and their entertainment will do away with the necessity of submitting Contingent Bills for Lascars or Chain-men when surveying and levelling.

No. 491. ORDER THEREON, 28th July 1864, No. 2,154.

The Superintending Engineer, 6th Division, will observe from the Order marginally noted that sanction has been granted to the entertainment of the undermentioned Establishment by each of the Special Supervisors appointed in Proceedings No. 1,284, dated 4th May 1864.
