SIR,

I have the honor to inform you that I have received a letter in answer to mine from the Government of Bombay, respecting Batta money due to me, as per Order in *Naval Pay and Audit Regulations*, or compensation as I was promised by the Chief Engineer of the Department Public Works, as I lost all promotion from the Indian Navy, also put to many inconveniences in breaking up the home so often. I had charge of the Steam Dredge on the Chum river ; after I was sent in charge of the Steam Dredge and Work Shop at Paumben, and then I was after put in full charge of the Store and Work Yard at Nellore, where I had the selling and purchasing of every article required, and had charge of all cask, and returned to Government a good profit for the time I was there, after paying for all *materials* and *wages*. I have took charge from Captains and Lieutenants, also from Civil Engineers, who had a very high salary, and I did the whole of the duty to the satisfaction of my superiors, and I have a Certificate from Lieutenant-Colonel Greenaway, late District Engineer, to that effect. Now, as I do not sail for England till about the 12th of August next, I beg, Sir, you will be pleased to send whatever you think I am entitled to, as batta or compensation for the losses and expenses I have sustained by being sent to the Public Works Department, and be pleased to address your communication to the following address, and by sending me an early reply you will ever oblige.
