No. 510. Read the following Memorandum from J. D. SIM, Esq., Secretary to Government, Ecclesiastical Department, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Fort Saint George, 23rd July 1864, No. 394:—

Dated 10th June 1864, No. 259. The Secretary to Government has the honor to transmit to Colonel Orr, the enclosed letter from the Superintending Engineer, 3rd Division, reporting on the Burial Grounds in that Division, and to state that he sees no objection to the construction, as proposed, by convicts, as soon as they can be provided by the Session Judge of Cuddapah (a copy of whose letter on the subject is annexed), of a rough stone wall round the Roman Catholic Cemetery near the Cantonment at that station together with the erection of a pair of gates.

From Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, dated Cuddapah, 10th June 1864, No. 259.

SIR,

1. With reference to paragraph 2, Order of Government, No. 124, Ecclesiastical Department, dated 28th May 1863, I have the honor to submit a report on the Burial Grounds in the 3rd Division* for the year 1863-64.

* Cuddapah.
Bellary.
Kurnool.

2. At Cuddapah, the Burial Grounds in the Cantonment and Civil lines are in tolerable order, slight repairs are required for which Estimates will immediately be prepared.

3. The Roman Catholic Burial Ground near the Cuddapah Cantonment is totally unprotected. In December 1862 I forwarded to the Collector (Mr. Wedderburn) a Plan and an Estimate amounting to Rupees 1,670 for a wall round this enclosure, but have heard nothing more about it; a rough stone wall might easily be constructed by convict labour, and the only expense to Government would be the cost of a pair of gates.

4. The Burial Grounds at Bellary, Gootty and Ramandrug are in good order. The Executive officer in charge of the Range has applied for a grant of 20 Rupees to keep the Burial Ground at the latter place clear of jungle, which has been sanctioned.

5. Slight repairs are required to the old Burial Ground at Kurnool, whilst the new one is reported to be in good order, as also the Burial Ground at Cumbum.

From F. S. CHILD, Esq., Session Judge of Cuddapah, to A. J. ARBUTHNOT, Esq., Chief Secretary to Government of Madras, dated Cuddapah, 19th July 1864, No. 318.

SIR,

In reference to your Memorandum, dated the 23rd June last, I have the honor to state that at present there are no convicts available for the construction of a stone wall round the Roman Catholic Burial Ground mentioned. I have at present only one working gang in the Jail, the rest being on the Railway, and stationed at a distance. These were stationed out when the jail was over-crowded; and as the Engineers of the Railway are still desirous of retaining them, I am unwilling to call them in. In a few months, however, I expect that the Railway Officials will not require their services any longer, and then possibly I shall be able to give a gang for the construction of the wall referred to.

1. The foregoing Memorandum will be communicated to the Superintending Engineer, 3rd Division, with a request that he will submit an Estimate of the cost of the work referred to in paragraph 3 of his letter recorded above.

2. The value of the convict labour proposed to be employed should be deducted at the foot of the Estimate.
