*Proceedings of the Madras Government, Public Works Department,
29th July 1864.*

No. 523. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 22nd July 1864, No. 1,802:—

SIR,

1. With reference to the Proceedings of Government No. 1,324, dated 7th May 1864, I have the honor to state that on examining the rooms at present occupied by the Public Works Stores at Chepauk, the Executive Engineer found that the repairs required are so extensive that if undertaken at all a large outlay must be incurred upon them.

2. Under these circumstances it seems desirable, as new Store Rooms are being built, not to go to any expense upon the old ones.

No. 524. ORDER THEREON, 29th July 1864, No. 2,170.

Under the circumstances stated, the repairs need not be carried out; but the Superintending Engineer will be requested to adopt measures for preventing the leakage in the roof at the north-east and south-west angles of the building.
