*Proceedings of the Madras Government, Public Works Department,

No. 90. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 24th June 1864, No. 53:—

SIR,

Enclosures 4.

In my Appropriation Return for last month, I entered the following Estimates as sanctioned under the head of "Minor New Works."

BELLARY DISTRICT.

Putting up two palmyra gratings to form a Subsidiary Jail in the Tálug Cutcherry at Chinna Allúr	rs. 72
Constructing a Subsidiary Jail in the old Fort at Calliandrúg	120
Constructing a lock-up for male and female prisoners in the Tálug Cutcherry at Gooty	125
Constructing a lock-up for male and female prisoners in the Tálug Cutcherry at Tadpatri	110

But the Controller objects to these items on the grounds that the grant for minor new works "cannot be diverted to Jails and Tálug Cutcheries unless there is an express permission from Government to do so." I therefore beg to submit these Estimates for sanction.

No. 91. ORDER THEREON, 6th July 1864, No. 1,954.

1. The Estimates for items 1, 3 and 4 will be referred to the Revenue Department, and the one for item 2 to the Judicial Department.

2. The local authorities were not competent to sanction three of the Estimates submitted which exceed Rupees 100 each. See Chapter XXIV of the Code.
