No. 728.
*List of Bills received from the Superintending Engineer, Cth Division, for work executed on emergency in the Tanjore District, submitted
for the sanction of Government.*

529	31st Oct. 1863.	Protecting north bank of Vennaur river in the limits of Munur.	236 6 8	1863-64.	1st received 4th June 1864, returned on the 1st July 1864, again received 18th July 1864.	These works were authorized by the Superintending Engineer to be executed on emergency under Clause 2, paragraph 2, Chapter XXIV of the New Code. From the explanation furnished by Captain Bean it is found that none of these works were entered by Lieutenant-Colonel Foord in the Appropriation Returns. They were mostly carried out in June and July 1863 on emergency and without estimate, which appears to have been the reason for their omission; but the Superintending Engineer remarks that the total expenditure of the year has not exceeded the Budget allotment.
