No. 23. Read the following letter from Captain H. T. ROGERS, R. E., for Controller and Auditor of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 27th July 1864, No. 755:—

SIR,

In the Proceedings of Government, dated 6th February 1864, No. 331, paragraph 103, the work* noted in the margin was placed under restriction until the Estimate was duly sanctioned. This restriction was held to have been removed with reference to the Proceedings of Government, dated 12th February 1864, No. 436. An Estimate was submitted by the Board of Revenue, and the work was removed from the list of works under such restriction. The Superintending Engineer has omitted to take credit for the work in the allotment for the Vizagapatam District, and when questioned regarding it, states that he considered the work as not sanctioned until a revised Estimate is submitted for the Road Dam. Lieutenant-Colonel Chambers' letter on the subject is therefore submitted for the orders of Government.
