*Proceedings of the Madras Government, Public Works Department,
4th August 1864.*

No. 101. Read the following letter from Colonel R. STRACHEY, R. E., Secretary to the Government of India (Public Works Department), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 11th June 1864, Circular No. 38:—

The following copy of orders passed in the Financial Department, deciding that the Military allowances of Officers employed in the Public Works Department are chargeable to that Department, as well when the Officers are on leave as when they are present, is circulated for information and guidance.

(Signed) R. STRACHEY, Colonel, R. E.,
Secy. to the Govt. of India.

(Signed) E. C. S. WILLIAMS, Captain, R. E.,
Under Secy. to the Govt. of India.

No. 440, dated 27th May 1864.

Office Memorandum from E. H. LUSHINGTON, Esq., Secretary to Government of India, Financial Department, to Secretary to Government of India, P. W. Dept.

With reference to Extract from the Proceedings of the Government of India in the Public Works Department, No. ^{65A}₁₉₃₃, dated 9th May 1864, the undersigned is directed to observe that as the Public Works Department provides in its ordinary complement a reserve for absentees, there seems to be an especial propriety in the proposition that the Department should pay to an officer belonging thereto whatever is due to him while he is on leave as well as when he is present.

Any net Military pay which an officer in the Public Works Department draws from the Military Department when present, will of course continue to be paid from the same source while he is on leave.

No. 102. ORDER THEREON, 4th August 1864, No. 2,232.

Communicated to the Controller and Auditor of Public Works Accounts for information and guidance, and for such remarks as he may have to offer with reference to the manner in which the present ruling of the Government of India will affect the practice which has hitherto prevailed.

(True Extract.)
