*Proceedings of the Madras Government, Public Works Department,
5th August 1864.*

No. 137. Read the following letter from Lieutenant-Colonel F. H. SCOTT, Quarter Master General, to Colonel H. MARSHALL, Secretary to Government, Military Department, dated Ootacamund, 26th July 1864, No. 155/7,064:—

SIR,

I have the honor by order of His Excellency the Commander-in-Chief to bring to the notice of Government that in Proceedings of Government No. 165, dated 15th January last, Government was pleased to approve of certain Estimates for a new privy, and for alterations to Sleeping Rooms of the Artillery at Trichinopoly; but they have been excluded from the Budget. The Officer Commanding Southern Division represents that the work is of great importance to the health of the Troops, and asks that funds may be supplied. In this the Commander-in-Chief cordially joins, and trusts that Government will be able to find means for carrying those works out.

Referred for consideration in the Public Works Department.
