*Proceedings of the Madras Government, Public Works Department,
5th August 1864.*

No. 139. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E.,
Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Public Works Department, dated Cuddapah, 26th July 1864, No. 70 :—
SIR,

1. With reference to paragraph 27, Order of Government No. 1,941, dated 4th July 1864,
I have the honor to inform you that I am not aware of having ever promised to submit revised
Estimates for Range Offices, or for the road from Bellary to the Cuddapah frontier.

2. In Order No. 270, dated 25th January 1864, Government sanctioned a Plan and an
Estimate amounting to Rupees 350, for Range Offices for the Kudlighi, Anantapur, Raidrug,
Pennakondah and Nandial Ranges, and a revised Estimate amounting to Rupees 1,02,200 was
sanctioned in Order No. 1,174, dated 8th May 1863, for the road from Bellary to the Cuddapah
frontier.

3. I much regret that owing to a misapprehension, funds have not been provided for the
above works, as the sanctioned Range Offices are emergently and immediately required at Raidrug,
Kudlighi, Pennakondah and Nandial.

4. Mr. Supervisor Cairns, in charge of the Raidrug Range, is obliged to keep his Office
Records at Bellary, in a building for which he pays 8 Rupees a month as rent, and the Controller
refuses to admit this charge in the Raidrug Range monthly contingent bill, so that for months
Mr. Cairns has been paying at the rate of 8 Rupees from his on private funds, for the safe custody
of Government property.

5. The greater portion of the Records of the Kudlighi Range are kept at Hospett, in the
Bellary range; at Pennakondah and Nandial the Supervisors keep the Range Records in their
private bungalows, for which they are not allowed one pie by Government as Office rent.

6. In my letter No. 153, dated 9th September 1863, I suggested that Rupees 15 should
be allowed to Officers, and Rupees 10 to Upper Subordinates as Office rent, but Government in
Order No. 3,414, dated 21st November 1863, resolved on sanctioning a sum of Rupees 350 in
cases where special accommodation was indispensably necessary for Office Records.

7. In my list of new works expected to be, but not completed on the 30th April last,
I included the Range Offices above referred to, and the works are now in progress; I therefore
beg to request you will be so good as to let me know whether they are to be stopped or whether
a grant of Rupees 1,400 can be made from the Reserve Fund to enable me to complete them.

No. 140. ORDER THEREON, 5th August 1864, No. 2,249.

1. With reference to paragraph 1 of the foregoing letter, it is observed that the remark
"work stopped pending renewed sanction," opposite the Range Offices and the Bellary and
Cuddapah road, in the Statement of incomplete works submitted with the Superintending
Engineer's letter of 12th May last, No. 5, was understood to mean that revised Estimates had
been found necessary, and were under preparation, pending sanction to which the works had been
suspended.

2. The Superintending Engineer will be informed, in reply to the present application,
that no funds are available; but if he can provide for the Range Offices, by a re-distribution of
the assignment at his disposal for new works, the sanction of the Government of India will be
requested to the necessary transfer of funds.
