*Proceedings of the Madras Government, Revenue Department,
2nd August 1864.*

No. 28. Read the following Proceedings of the Board of Revenue, dated 11th July 1864,
No. 4,306.

Read the following letter from the Collector of Madura, dated 27th May 1864, No. 123:—

Vide Board's Proceedings, dated 15th December 1863,
No. 7,931, and Board's Proceedings, dated 24th February 1864, No. 1,192.

1. With reference to the Orders of Government, No. 2,248, dated 10th December 1863, I have the honor to report that the

Engineer's store-house and yard, being put up in auction, not a single offer was made for it, though proper publication through the Gazette, and tom-tom was made in the Town.

2. The building had been constructed by the Department Public Works, and its cost price was considered too high, I imagine, which prevented offers being made for it.

3. The property and site is, I consider, valuable; and if parted with it will be difficult for Government to obtain ground at or in Madura if again wanted for any purpose. I beg to recommend therefore that it be retained, and that it be used as a Cutcherry by the Deputy Collector of the District having general duties.

4. I have learnt from the Superintending Engineer that he does not want it, and that it is not suitable for his purposes.

5. I have, in my letter No. 94, dated 30th April 1864, brought to notice that the building was originally erected for the Head Assistant's Cutcherry, and that my Cutcherry is deficient in accommodation.

1. In the Government Order in the Revenue Department, No. 2,248, dated 10th December 1863, the Collector of Madura was directed to arrange for the sale of the site and building at Madura, which was formerly used as the Assistant Collector's Cutcherry, and to which certain additions were being made at the time in order to convert it into an Office and Store for the District Engineer, for which purpose it was subsequently considered ill-suited notwithstanding the proposed additions.

2. As, however, no bids have been made for the property in question, the Board recommend, as proposed by Mr. Levinge, that the Deputy Collector employed on general duties, who now occupies a room in the Collector's Office, be allowed the use of the old building as his office.

No. 29. ORDER THEREON, 2nd August 1864, No. 1,372.

Miscellaneous.

The arrangement proposed by the Collector and recommended by the Board of Revenue in these Proceedings, for bringing into use the Engineer's store-house and yard at Madura, is approved.
