*Proceedings of the Madras Government, Public Works Department,
9th August 1864.*

No. 197. Read the following Proceedings of the Madras Government in the Revenue
Department:—

Concurring with the Collector of Godavery and the Board of
Revenue, in the opinion that certain expenditure incurred
by the Superintending Engineer, 1st Division, from the
District Funds, under the sanction of previous Collectors,
is fairly chargeable to Imperial Funds; but stating that it
is not worth while now to make the refund. } (Here enter 3rd August 1864, No. 1,378.)

*Proceedings of the Madras Government, Revenue Department,
3rd August 1864.*

No. 40. Read the following letter from J. FRASER, Esq., Officiating Collector of the Godavery District, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Cocanada, 16th July 1864, No. 10:—

SIR,

1. I have the honor to forward, for the consideration and orders of Government, copies of

* Officiating Collector's letter, dated 5th July 1864, No. 72.
Superintending Engineer's letter, 11th July 1864, No. 575.

letters* that have passed between the Superintending Engineer, 1st Division, and myself, relative to certain expenditure incurred by him from the District funds under the sanction of previous Collectors, but which seems to me fairly chargeable to Imperial Funds.

2. I also forward copy of Proceedings of the Board of Revenue, noted marginally, from No. 3,936, dated 24th June 1864, which you will see that in one case, at all events, the Board concur in my opinion.

3. I think that all the works enumerated by the Superintending Engineer, in paragraph 5 of his letter, copy of which is now sent, save the excavation of drains in Cocanada, should be also charged to Imperial Funds, and the outlay now re-paid to the District funds.

4. It seems to me that previous Collectors have mistaken the objects to which these funds should be applied; and if this be the case, I think a refund is but fair, seeing how small our District funds are as compared with the legitimate demands on them.

No. 41.

ORDER THEREON, 3rd August 1864, No. 1,378.

Local Funds.

The views of the Collector and Board are correct, but it is not worth while now to make the refund.
