Government, Public Works Department, dated Cuddapah, 4th August 1864, No. 74 :-

SIR,

I have the honor to suggest that Deputy Collectors in charge of Treasuries be instructed to
apply direct to you for blank cheque books required by Range Officers instead of indenting
through Superintending Engineers, which course only creates delay and unnecessary corres-
pondence.

1. The suggestion contained in this letter is approved.
2. It is observed that in several Districts, applications for cheque books are now submitted
