Sir,

1. With reference to paragraph 21 of G. O. No. 1,941, dated 4th July 1864, disallowing
funds for excavating Sandole drainage channel, I have the honor to state that my remarks in

cable to "the sloping down the banks of the main canal for the four miles from the north flank of
the Anicut," and not for Sandole drainage channel.

work* from the Reserve.

tion will be requested to the latter clause of
