Proceedings of the Madras Government, Public Works Department, 17th August 1864.

No. 337. Read the following letter from Colonel R. STRACHEY, R. E., Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 21st July 1864, No. $\frac{302}{3356}$ A:—

SIR,

1. With reference to the Proceedings of the Government of India in the Financial Department, Nos. 22 and 23 of February 1864, sanctioning an additional grant of Rupees 9,860 to the Madras Public Works assignment for 1864-65, for the the maintenance of Native Choultries, I am now directed by His Excellency the Governor General in Council, to forward copy of a further Resolution in the same Department, No. 575, dated 31st May 1864, and to inform you, in supercession of former Orders, that the amount in question must be provided from the general Public Works Budget grant made to the Madras Presidency for 1864-65, and that an extra grant will not be given on this account.

2. The whole amount may be passed at once to the credit of the Local Funds, but a separate account should be required at the end of the year, and the unexpended portion, if any refunded, so that it may lapse in the same way as other Imperial appropriations.

No. 575.

Extract from the Proceedings of the Government of India in the Financial Department, Simla, under date the 31st May 1864.

Read again Financial Proceedings for January 1864, Nos. 74 and 75, sanctioning a grant-in-aid of Rupees 18,770 for the maintenance of Public Bungalows and Choultries in the Presidency of Madras, during the year 1864-65, the amount being added to the Public Works assignments for that year.

Read again Financial Proceedings for February 1864, Nos. 22 and 23, sanctioning a further grant of Rupees 9,860, on account of Native Choultries which was to be added to the Public Works assignment and debited to E. Public Works as a charge against Imperial Revenue, and "not transferred to Local Funds as a grant-in-aid, as would be the grant for Public Bungalows."

Read again the Memorandum from this Department, No. 1,293, dated 9th March 1864, forwarding to the Public Works Department for disposal, a Memorandum from the Government of Fort Saint George, stating that the amount of Rupees 18,770 sanctioned in Financial Proceedings of January 1864, for the maintenance of Public Bungalows and Choultries, should be altered to Rupees 28,630,* and sanction given to the latter amount.

* 18,770 + 9,860 = 28,630

Read a Memorandum from the Public Works Department, No. 1,292, dated 16th March 1864, remarking that the proper course now to adopt is to make a special grant under some Civil miscellaneous head to the extent of Rupees 28,630 as a grant-in-aid of the Madras Local Fund; and that orders will issue in that Department that the grant of Rupees 9,860 is to be made from the Madras Public Works assignment of 63 Lacs, to Local Funds in aid of the maintenance of Choultries.

RESOLUTION.—The Governor General in Council is pleased to sanction an additional grant of Rupees 18,770 under F IX "Miscellaneous," in the Madras Budget for 1864-65, to provide for the maintenance of Public Bungalows.

ORDER.—Ordered that a copy of the foregoing Resolution be sent to the Public Works Department with a remark that if the item of Rupees 9,860 be paid as a grant-in-aid to Local Funds, the unexpended portion of the amount thus paid over will swell the balance of the Local

Fund ; and that it may perhaps suffice, instead, to pay the money to the Civil Officers of Districts who control the expenditure for Choultries, on the understanding that the unexpended part of the grant will lapse at the end.
