SIR,

Dated 21st July 1864, No. 334

I am directed by the Governor in Council to acknowledge the receipt of your letter as per margin, intimating that, in supersession of former orders, the sum of Rupees 9,860, required for the maintenance of Native Choultries in this Presidency during the current year, must be provided from the General Public Works Budget grant for 1864-65, and that an extra grant will not be given on this account. In reply I am to state that the Madras Government are quite unable to meet this demand from the Public Works assignment, and, therefore, to request that you will move the Government of India to re-consider the subject, and to make a special grant-in-aid to Local Funds for Native Choultries.

I have the honor to be,

Sir,

Your most obedient servant,
