*Proceedings of the Madras Government, Public Works Department,
18th August 1864.*

No. 370. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colopel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 5th August 1864, No. 75:—

SIR,

1. With reference to Order No. 1,980, dated 9th July 1864, I have the honor to inform you that I quite agree with the Collector of Kurnool as to the advisability of not incurring any additional outlay for the improvement of the Manteral Kanama Ghât.

2. Government in Order No. 2,844, dated 27th November 1862, sanctioned an annual maintenance allowance of Rupees 1,500 for the road over this Ghât from Bairlooty to Manteralama, and this sum will amply suffice to keep it passable for bullocks; I would therefore beg to suggest that this allowance be continued, and that the road be considered as an Imperial work and maintained as at present from Imperial Funds.

3. Agreeably with the instructions contained in paragraph 3 of the above Order, all work on the Ghât has been stopped; the expenditure up to the end of last month amounted to Rupees 366-1-8, out of the sum of Rupees 6,432 entered in the Imperial Budget of 1864-65, leaving a balance of Rupees 6,065-14-4 available for transfer to the Nundial and Chagalamarry road.

4. In Order No. 1,605, dated 2nd June 1864, Government sanctioned a sum of Rupees 3,000 from the Reserve for the purpose of tracing a road from Dorenal to Manteralama at the foot of the Manteral Ghât, but as all work on the Ghât has been stopped, it is no longer necessary to open a road for carts between Dorenal and Manteralama; I therefore beg to suggest that Rupees 2,713-6-5, the unexpended balance of the above sum of Rupees 3,000, be also transferred to the road from Nundial to Chagalamarry.

5. In the Income Tax Budget for the current official year, item No. 14, the sum of Rupees 8,000 was allotted for the road from the Kunder to Paipallee in the Kurnool District; but in Order No. 1,964, dated 7th July 1864, Government sanctioned the transfer of Rupees 5,886 from this amount to complete bridges and causeways on the road from Kurnool towards Bellary; I now have the honor to request that the balance, Rupees 2,114, may be transferred to the road from Nandial to Chagalamarry, for which, if the above suggestions are approved of, funds to the amount of Rupees 10,893-4-9 will be available for expenditure in 1864-65 as follows:—

Imperial Funds.

Income Tax Funds.

Transferred from the grant for a road from the Kunder to Paipallee ...	2,114	0	0

6. I beg to enclose a letter from the Collector of Kurnool, stating his entire concurrence in the proposed transfers of funds.

No. 371. ORDER THEREON, 18th August 1864, No. 2,368.

1. In accordance with the recommendations contained in the foregoing letter, the Government sanction the appropriation of the following grants to the road from Nundial to Chagalamarry, on the Cuddapah frontier:—

Rupees 4,827-6-5

*Proceedings of the Madras Government, Public Works Department,
18th August 1864.*

2. The sanction of the Government of India will be requested for the diversion of a further sum of Rupees 6,065-14-4 from the allotment in the Imperial Budget for the Manteral Canamah Ghât. The total grants thus diverted will amount to Rupees 10,893-4-9, leaving Rupees 17,524 yet to be provided for the Nundial and Chagalamarry line in the Budget of 1865-66.

3. Ordered that the following letter be despatched :—
