*Proceedings of the Madras Government, Public Works Department,
19th August 1864.*

No. 399. Read the following letter from Major W. FAREWELL, Executive Engineer, to Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, dated Ootacamund, 9th August 1864, No. 92 :—

SIR,

1. No Mechanical Engineer having since Mr. Wait's death been sent to me, I have the honor to bring to your notice, that the Lawrence Asylum works are much delayed in consequence of this vacancy not having been filled up, and I am quite unable privately to procure a man of the class required.

2. I am aware that there are no more Mechanical Engineers at the disposal of Madras Government, but understanding that some time back several were transferred as supernumeraries from this Presidency to Bombay, I would respectfully venture to suggest, that Government be solicited to apply to the Bombay Government for the services of one of these men, to be employed on these works in fitting up machinery.

Submitted for the orders of Government.
