*Proceedings of the Madras Government, Revenue Department,
15th August 1864.*

No. 219. Read the following Proceedings of the Board of Revenue, dated 29th July 1864,
No. 4,842.

Read the following letter from the Collector of South Arcot, dated Cuddalore, 19th July 1864,
No. 130:—

1. In reply to the Board's Proceedings of the 11th January last, No. 144, requesting to know if the Head Assistant wished to rent the public buildings at Tindevanum; and if so, directing that an estimate be prepared for putting them in repair, I have the honor to state that it is Mr. Grose's wish to occupy the buildings in question on rent, as he is quite willing to pay any moderate sum that may be fixed.

2. An estimate of repairs really needed has lately been prepared by the Department of Public Works amounting to the small sum of Rupees 165, and which has been approved and countersigned by me; and I think a rent of 15 Rupees a month is as much as should be charged considering the nature and character of the buildings as already explained in my letter of the 7th March last, No. 68.

3. Mr. Grose is quite ready to pay as much as 25 or 30 Rupees a month if Government will incur the required outlay to improve the buildings and render them properly chargeable with so high a rate, but I am not sure whether this is desirable. I have, however, called on the Range Officer of the Division to report what amount would be needed to complete the alterations and improvements wished for by Mr. Grose; meanwhile I suggest that 15 Rupees be sanctioned as the rent hereafter to be payable until any further expense be incurred as above proposed; and in due course the estimate called for shall be submitted to the Board.

The Board sanction the proposed arrangement.
