Read again Order No. 1,337.

No. 226. Read also the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to C. G. MASTER, Esq., Deputy Secretary to Government, Revenue Department, Fort Saint George, dated Kurnool, 2nd August 1864, No. 41 :—

SIR,

1. With reference to the Government Orders, dated 6th May 1864, No. 783, and 27th July, No. 1,337, I have the honor to state that after the opinion passed by Captain Flint, as to the additional cost that would be incurred by taking measures to protect the village of Soonkasala, there appears no alternative but to provide the villagers with the means of removing their houses.

2. The Deputy Collector, Ragoonadha Row, estimated the cost of re-building the village on a safe site, at Rupees 5,500, and the expenditure can be met from the item in the Budget for providing land for the Company's Canal.

3. With reference to my apparent delay in reporting on this subject, I beg to state that I addressed Colonel Hemery as directed, on the 12th May, who at once took steps to provide me with professional assistance, but by an oversight forwarded Captain Flint's letter, dated 4th July, No. 63, direct to Government, so that I had no opportunity of seeing it previous to the receipt of the Government Order of the 27th July, No. 1,337.

4. I trust that sanction may be accorded for the immediate removal of the village to a higher level.

ORDER THEREON, 15th August 1864, No. 1,472.

No. 227.

**Miscellaneous.**

Sanction is accordingly granted for Rupees (5,500) five thousand and five hundred for removing the village of Soonkasala to a higher and safer level. Orders will be issued from the Public Works Department, for the provision of funds from the item in the Budget alluded to by Mr. Minchin. The Collector will take care that the streets are properly laid out.
