PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Acting Controller of Military Accounts, Fort Saint George, 11th August 1864, E; to the Secretary to Government, Military Department, Fort Saint George.

I have the honor to report, for the information of Government, that the Superintending Engineer 4th Division, considers it necessary in the interests of Government, that the building occupied by the Offices of the Examiners of Commissariat and Medical Accounts, should be at once repaired.

2. The repairs of the upper story are to be commenced on Monday the 15th instant. The Commissary General has been kind enough to place a couple of rooms at the disposal of the Examiners, between which and the lower story of the building now occupied by these Officers, the establishments will have to be divided.

3. I communicated with the Barrack Master with a view to obviate the inconvenience involved in the division, but find that no public building is available.

ORDER, No. 2827, 16th August 1864.
