Read the following :—

Return of Orders of Government remaining Unanswered in the 1st Division for the half year ending 31st March 1864.

Number and date of Government Order.	Subject.	Explanation of the cause of delay in forwarding a reply.	Remarks by the Superintending Engineer.
No. 804, 5th April 1859. ...	Requests that Estimates may be submitted for the completion of certain roads in Vizagapatam.	Will be struck off from future Returns as per G. O. No. 1,832 of 23rd June 1864.	
" 431, 20th Feb. 1863. ...	To submit a further report and survey of a bridge in Ganjam.	Do. do. as per G. O. No. 1,771 of 18th June 1864.	
" 840, 21th April 1860. ...	To report regarding the capabilities of the Steamer "Sir Charles Trevelyan."	Captain Haig should be called upon to supply this information as the Steamer was handed over to him.	It is requested that this reference may be withdrawn from future Returns.
" 811, 22nd April 1861. ...	Awaiting the further report of the particulars of the accident which proved fatal to the lives of certain persons by the ferry Steamer at Rajahmundry coming into collision with a passenger boat.	This information was forwarded on 29th April 1861, and in G. O. No. 1,344 of 20th July 1861, on commenting on this information, it appears to Government that no further steps could be taken in the matter of the accident.	Do. do.
" 837, 25th April 1861. ...	To submit an approximate Estimate of the amount of water held up by the proposed Anicut in Vizagapatam available for irrigation, &c.	Will be struck off from future Returns as per G. O. No. 1,823, of 22nd June 1864.	
" 573, 25th May 1861. ...	To submit a Survey and Estimate for a road in Ganjam District.	This road will lie entirely in the Bengal Districts; the Sappers who were available when the G. O. was issued have been removed from the Kalinghia Ghat, and as in particular the Bengal Commissioner has informed the Executive Officer of his intention of undertaking the work, it appears to be one which short-handed as this Department is, may be let alone. If Government are of this opinion, it is requested that the Order No. 547 may be allowed to be removed from the Lists of Unanswered References.	
" 547, 24th March 1862. ...	To submit Plan and Estimate for the formation of a road from Sunkerkole to Sonapore on the Mahanuddy.	Definitively deferred, see G. O. No. 812 of 19th March 1864.	Do. do.
" 623, 31st March 1862. ...	To submit Estimate for the erection of the new Artillery Barracks at Waltair.		

Proceedings of the Madras Government, Public Works Department,
22nd August 1864.

Number and date of Government Order.	Subject.	Explanation of the cause of delay in forwarding a reply.	Remarks by the Superintending Engineer.
No. 890, 1st May 1862. ...	To submit plans of the three buildings for Police and Magisterial purposes in Ganjam.	Reference has been made to the Collector of Ganjam, who has not yet furnished the necessary Plans and Estimates on which the buildings in question are now in progress under his superintendence.	It is requested that this reference may be withdrawn from future Returns.
" 1,430, 26th June 1862. ...	Calling for Plans and Estimates for Workshops for the use of European Regiments.	As the Royal Artillery Battery at Waltair is to be removed without relief, and as there are no other European Soldiers in the Division, these Plans and Estimates have become unnecessary, see G. O. No. 842 of 19th March 1864.	
" 2,520, 23rd October 1862 ...	To submit a report with reference to the specification appended to the copy of the contract for the Paumben Tug.	Will be replied to on the receipt of further instructions referred to in paragraph 2 of G. O. No. 2,909, of 6th October 1863.	
" 2,536, 24th Oct. 1862.	To submit a return showing the number of boats plying on the Chilka lake, and the return of tons carted from the end of the Navigation to Ganjam <i>vice versa</i> .	Returns have been received from Captain Philipps, who has been registering the boats plying on the lake and the carts carrying produce away from it.	Do.
" 2,885, 3rd Dec. 1862.	The Government await the receipt of the Estimate for the restoration of the Urlee Rungasagarum Tank in Kemidy Estate, in Ganjam.	Captain Philipps states that the Estimate was submitted by him through the Collector of Ganjam to the Court of Wards, and the work was completed in time to secure a large supply of water during the Monsoon.	Do.
" 2,923, 17th Sept. 1862.	Calling for the remarks of the District Engineer Vizagapatam on paragraph 8, of the letter from the Chief Commissioner, Central Provinces, contradicting the statement that the road from Vizagapatam to Jeypore via Galicondah will tend to develop the Cotton trade, and to submit Survey and Plans of a road to Jeypore via Galicondah.	As I know nothing of the Nagpore country. No remarks are offered on the letter from the Chief Commissioner, Central Provinces. No Plans and Estimates for the road above the Ghats and for the Ghât itself, can be prepared until a competent Officer is attached to the District, whose sole business it would be to attempt to make this survey; in the meantime, the work is being carried on under the Revenue authorities.	Do.
" 171, 21st Jan. 1863.			Do.

Proceedings of the Madras Government, Public Works Department,
22nd August 1864.

" 281, 3rd Feb. 1863. ...	To submit Plans and Estimates for the erection of Provincial Lunatic Asylum.	These will be submitted when the standing Plan which Government has promised to furnish, has been received.	Do.
" 1,444, 6th June 1863. ...	To submit Estimates for housing the Battery of Artillery at Waltair, in the Vizagapatam District.	These Estimates are unnecessary, as Government in their Order No. 842, dated 19th March 1864, has determined to remove the Battery from Waltair and not to relieve it.	Do.
" 1,517, 12th June 1863. ...	To report the manner in which the grant now made for the materials of the Anicut in the Godavery have been appropriated.	Answered 20th May 1864, No. 176.	
" 1,535, 13th June 1863.	To submit Plans and Estimates for a road in the Ganjam District.	Plans and Estimates will be prepared by Captain Magnay, who is now specially employed on that road work. See Superintending Engineer's letters, No. 2,196 of 15th February, and No. 417 of 18th June 1864.	Do.
" 1,253, 18th May 1863. ...	To submit Plans and Estimates for Vizianagram and Parvattipur road.	A reference was made to Government on the 3rd June 1863, No. 143.	
" 2,128, 19th Nov. 1857.	Calls for a revised Estimate for a metalled road from Nursapore to Uttula in Rajahmundry.	Answered 12th July 1864, No. 584.
