*Proceedings of the Madras Government, Public Works Department,
22nd August 1864.*

No. 451. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 15th August 1864, No. 83:—

SIR,

1. With reference to paragraph 3, Order of Government No. 1,980, dated 9th July 1864, directing that the work on the Manteral Ghât should be stopped, I have the honor to request permission to omit from future Lists of Unanswered References in this Division Order No. 1,075, dated 17th May 1862, calling for Estimates for improving the approaches to that Ghât from the east and west.

2. As the road over the Ghât is not to be completed as originally intended, but merely to be kept passable for bullocks, it will no longer be necessary to expend large sums in opening out the road on each side of the Ghât.

No. 452. ORDER THEREON, 22nd August 1864, No. 2,410.

The Superintending Engineer is permitted to omit the Order referred to from future Lists of Unanswered References.
