*Proceedings of the Madras Government, Public Works Department,
23rd August 1864.*

No. 464. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 17th August 1864, No. 2,280 :—

SIR,

1. In G. O. No. 815, dated 17th March 1864, sanction was given to the allotment of funds to the extent of Rupees 520 for the construction of a sluice and two calingulabs to the Coodoo-cantangle tank in the North Arcot District. Up to the end of April last there was an expenditure of Rupees 315, and for the completion of the work this year Rupees 20 were appropriated by me in May from the sum Rupees 7,000 allowed for Minor New Works North Arcot.

2. The Controller and Auditor has, however, informed me that as the amount of the Estimate for the three works in question is Rupees 520, which is Rupees 20 in excess of the power of the Superintending Engineer to sanction, the approval of Government to such appropriation is required; and this I have now the honor to request may be accorded with a view to the allotment of funds being permitted to remain in my Appropriation Return for May 1864.

No. 465. ORDER THEREON, 23rd August 1864, No. 2,417.

Approved.
