*Proceedings of the Madras Government, Public Works Department,
24th August 1864.*

No. 520. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E.,
Superintending Engineer, 1st Division, to Colonel C. A. ORR, R., E., Secretary to
Government, Department Public Works, dated Waltair, 11th August 1864, No. 540 :—

SIR,

1. Mr. Forbes, the Collector of Ganjam, has addressed Government on the subject of
obtaining further funds for the establishment of the Súrada and Darungabadi road, and has
requested me to submit my views to Government on his proposal.

2. The allotment in the present year for the road in question is but 5,000 Rupees, and
has already been considerably exceeded; the expenditure up to the 1st instant being 6,375 Rupees.

3. The work has now stopped owing to the rains, but there is still the pay of the Executive
Officer to be provided for during the season of cessation of work, the whole of which, Military
and Civil, has to come out of the Estimate.

4. It is therefore evident that unless immediate provision is made to supplement the grant
of 5,000 Rupees, the work already done must be left in a half finished state.

5. I should regret starving or stopping any other work now in progress in the Ganjam
District; but unless funds can be provided from elsewhere I have no remedy but to approve of
Mr. Forbes' proposition to appropriate 10,000 Rupees from the allotment made in the Budget
for the Kalingia Ghát and to spend it on the Súrada line.

6. I beg to report that I have heard demi-officially from Captain Magnay that the Medical
Officer who has been attending him for the severe fever contracted on the Súrada road urges him
to leave the District, and that he proposes to leave at the end of the month.

7. Should Government approve of Mr. Forbes' proposition and allot funds for going on
with the work commenced by Captain Magnay, it would be best to appoint one or two men
from the subordinate grades of the Department to superintend the road, instead of selecting
a highly paid Officer, the whole of whose pay must necessarily come out of the Estimate.

No. 521. ORDER THEREON, 24th August 1864, No. 2,444.

1. With reference to paragraphs 1 to 5 of the foregoing letter, the Superintending
Engineer's attention will be requested to the
No. 2,409, dated 22nd August 1864. Orders noted in the margin.

2. Colonel Chambers will observe from the Orders of the Government of India, communi-
cated in Proceedings No. 2,396, dated 20th August 1864, that the pay and allowances of the
Officer employed on the Aska and Darangabadi road are to be charged against Part III of the
Budget.

3. The Superintending Engineer will submit a further report with reference to para-
graph 6.

4. In Proceedings No. 2,443 of this date, the services of Mr. Supervisor Laskey have been
made available for employment on the Aska and Darangabadi road.
