*Proceedings of the Madras Government, Public Works Department,
29th August 1864.*

No. 580. Read the following letter from Captain J. MULLINS, R. E., Consulting Engineer for Irrigation and Canal Company, to Major J. H. M. SHAW STEWART, R. E., Deputy Secretary to Government, Department of Public Works, dated Madras, 20th August 1864, No. 79:—

SIR,

1. I have the honor to forward the letters as per margin from the Agent to the Irrigation and Canal Company, the former intimating that the Board of Directors has approved an increase of pay for Mr. Gregory, Assistant Engineer, from Rupees 350 salary and Rupees 120 allowances, to Rupees 450 salary and Rupees 150 allowances, and the latter requesting the approval of Government to the arrangement.

No. 851, 6th August.
„ 960, 20th „

2. Mr. Gregory is one of the Assistant Engineers of the Bowanassy Division, the Establishment for which was sanctioned in the Order as per margin. Out of the sum allowed the Establishment as shown by the latest abstract* amounts to Rupees 3,384-8-0, so that funds are available and probably they will continue to be so, but the superior grades are all filled up, and the salaries drawn by the Officers, other than Mr. Gregory, are the same as those sanctioned, but in the above abstract Mr. Gregory's salary is entered at Rupees 300, so that he had not, up to that date, drawn as much as was provided in the sanctioned Establishment for his appointment.

Proceedings Madras Government, No. 814,
17th March 1864, Rupees 3,950.

* For April 1864.

No. 581. ORDER THEREON, 29th August 1864, No. 2,475.

The increase of pay proposed to be given to Mr. Gregory, Assistant Engineer, Bowanassy Division, is sanctioned retrospectively from the 1st April last.
