*Proceedings of the Madras Government, Public Works Department,
29th August 1864.*

No. 610. Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Chatterpore, 10th August 1864, No. 178 :—

SIR,

To Government, 23th October 1863.
To do. 17th November "
From do. 2nd December "
To do. 17th do. "
From do. 19th do. "
To do. 15th January 1864.

1. With reference to the correspondence noted in the margin, respecting the Public Works expenditure in the Khond Maliahs, I have the honor to state that after much communication with the Accountant General re-

specting the adjustment of the balance still outstanding, Mr. Lushington in his last letter of the 21st ultimo, suggests "that a Statement of the actual charges be submitted to Government (in the Public Works Department) in view to the same being adjusted against the Public Works grant for 1863-64 in the books of the Controller and Auditor of Public Works Accounts for that year if the unexpended balance on 30th April 1864

* NOTE.—There is no such unexpended balance.

"in your District, will admit* of the adjustment,

"when whatever amount is now outstanding can be adjusted."

2. In accordance with the above I beg to submit an account signed by the Officer by whom the expenditure was made during 1862-63. The detailed account of actual expenditure has been already furnished to the Superintending Engineer. Out of the sum of Rupees 2,750, Rupees 1,050 have been recovered, leaving Rupees 1,700 to be adjusted in the manner proposed by the Accountant General.

3. I did not expect to have been obliged again to trouble the Government on this subject, supposing that as the amount expended, though satisfactorily accounted for, could not be adjusted within the year according to rule it would be covered by a grant from the general Reserve Fund of the Presidency.

No. 611. ORDER THEREON, 29th August 1864, No. 2,490.

1. Communicated to the Controller of Public Works Accounts, who will adjust the charge referred to in accordance with the instructions of the Government of India conveyed in their Secretary's letter of the 23rd July 1864, No. 53113,373,C paragraph 3, (G. O. 20th August 1864, No. 2,396.)

2. The remarks of the Collector in paragraph 3 are not clear, the Government having been informed in his letter of 17th December 1863, No. 180, that no further adjustment of the outlay was necessary.
