No. 626. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 22nd August 1864, No. 2,389:—

SIR,

1 Statement.

1. In appropriating funds for the execution of repairs this year in the 4th Division, the sums allowed in the Budget under the head "Current" and "Special" were indiscriminately availed of, and the total amount thereof entered in the Appropriation Returns as the source from which money had been allotted for the prosecution of the works noted therein. This arrangement, however, the Controller and Auditor of Public Works Accounts informs me should be approved of by Government, and I have therefore the honor to now solicit their sanction to the transfer of the repair allotments under each divisional head to the class of "Current," as shown in the accompanying Statement, in which I have included the several transfers authorized in the Orders noted in the margin and alluded to in my letter No. 2,187, dated 15th August 1864.
