*Proceedings of the Madras Government, Revenue Department,
20th August 1864.*

No. 295. Read the following Proceedings of the Board of Revenue, dated 23rd July 1864, No. 4,649.

Read the following letter from the Acting Collector of Cuddapah, dated 8th July 1864, No. 91:—

1. With reference to the Board's Proceedings dated 24th June 1864, No. 3,940, I have the honor to refer you to the correspondence marginally noted, and to state that I still adhere to the opinion already expressed in my letter dated 10th June 1864, No. 78, as to the necessity of constructing the Talook Cutcherries at Pullampett and Kalkadda.

Board's Proceedings, dated 4th September 1863, No. 3,350.

Board's Miscellaneous Circular, dated 3rd June 1864, No. 11, Board No. 3,385.
Letter from the Acting Collector to the Board, dated 10th June 1864, No. 78.

2. Application has been made to the Superintending Engineer for an Estimate for the Talook Cutcherry at Pulivendla.

Submitted for the information of Government, with reference to their Order, dated 22nd June 1864, No. 1,079.

No. 296. Proceedings of the Board of Revenue, dated 3rd August 1864.

Read the following letter from H. G. SMITH, Esq., Acting Collector of Cuddapah, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Korlagunta, 30th July 1864, No. 107.

SIR,
In addition to the letters I have already written with regard to the Talook Cutcherry at Pullampett, I feel that I ought again to address the Board on the subject, for I consider the place now in a most dangerous situation, owing to the enormous increase of traffic on the road (I write from personal observation) which is literally night and day, and consequently several strings of bandies are accompanied by torches, a spark from which would set the Cutcherry on fire. This is not only possible, but very probable, and if it once caught fire nothing could save it and all the records.

Submitted for the information of Government, in continuation of Board's Proceedings, No. 4,649, dated 23rd July 1864.

No. 297. ORDER THEREON, 20th August 1864, No. 1,507.

Miscellaneous.

Referred to the Public Works Department, with reference to the Proceedings in that Department, dated 23rd May 1864, No. 1,508. Under the circumstances brought to notice by the Acting Collector, it is very necessary that arrangements should be made at once for the erection of the Talook Cutcherry at Pullampett.
