Secretary to Government, Public Works Department, dated Madras, 19th August 1864,
No. 944 :—

SIR,

1. I have the honor to report in reply to Government Order No. 2,128, dated 25th ultimo,
Enclosures 9. that the Government No. 513, dated 26th February
1863, calling for a draft of Rules to govern the

work of the Department of Accounts, was inadvertently omitted from the Lists of Unanswered
References. It was intended to apply for the permission of Government to exclude this requisition
from the List in question, with reference to the recent instructions of the Government of
India for one uniform system of account and audit for all India, to govern the working of which
rules and form are given in the Report of the Commission of enquiry into the system of Public
Works Accounts and in the Appendix thereto with several Circulars from Major Chesney, and
I now request that authority may be given for the omission of the Government Order in
question.

2. I also request permission for the exclusion from future Lists of the Government Order
No. 3, dated 3rd August 1863, calling for Statements of the lands acquired by Uncovenanted
Servants, as it appears from Government Order dated 15th June 1864, No. 1,737, that such
Statements were furnished by Superintending Engineers direct to Government with their
Administration Reports, in consequence of the call made upon them in Government Order 7th
December 1863, No. 3,601. The Statements already furnished to this Office by Superintending
From Superintending Engineer, dated 13th July 1864, No. 41 Engineers are herewith forwarded. That of
the 7th Division, the Superintending Engineer
reports having been forwarded to Government direct with his Administration Report. It will
not be necessary under the Government Order above quoted for Superintending Engineers to
forward copies of such Statements to this Office.

3. I further request permission to exclude the Government Order No. 441, dated 12th
February 1864, from the List of Unanswered References, as the progress of the adjustment of the
expenditure from 1861-62 to 1863-64 will be shown in quarterly Statements, which Statements
will, under paragraph 3 of the Government Order under acknowledgment, enter into the Memo-
randum of Periodical Returns. The Statement for the quarter ending 31st July 1864 will be
presently submitted.

No. 648.

ORDER THEREON, 31st August 1864, No. 2,509.

1. Under the circumstances explained in paragraphs 2 and 3 of the foregoing letter, the
Controller is authorized to omit from his future Lists of Unanswered References the Orders of
Government dated 3rd August 1863, and 12th February 1864, Nos. 3 and 441, referred to therein.

2. Pending the final introduction of one uniform system of Account and Audit for all India,
the Order No. 513 of the 26th February 1863, calling for a draft of Rules to govern the work of
the Account Department should be retained in the List above specified.

Deputy Secretary to Government.
