Estimate No. of 1863/64

Work - Making alterations
in the Upper Storied Building
 lately occupied by the In-
spectors of Police and Sub
Magistrate to provide
accommodation for the
Tahsildar's Kachari in-
cluding Lock-up for males
and females.

Est. No. 1040—

*Proceedings of the Madras Government, Revenue Department,
13th January 1864.*

No. 210. Read the following letter from Lieutenant-Colonel A. J. M. BOILEAU, R. E.,
Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Public Works Department, dated Madras, 6th January 1864, No. 4,363 :—
Sir,

1. In their orders in the Revenue Department under date 23rd July 1863, No. 1,369,
Government sanctioned the transfer of the Chingleput Tahsil-
dar's Catcherry from Tirukalikundrum, and
subsequently the Sub-Collector requested that certain alter-
ations might at once be made to the building previously occu-
pied by his own Office at Chingleput to adapt it for the accommodation of the Tahsildar's Cat-
cherry, representing that the cost was estimated at Rupees 250.

2. Under these circumstances the Range Officer was instructed to begin with the work,
and to submit in due course the prescribed Estimate which he has done, amounting to no less
than 1,040 Rupees. It provides for alterations to both the building above adverted to, and also
to a house adjoining it. The Tahsildar, Talook Sheristadar, and a part of their Establishment
will occupy the former premises, and the remaining portion of their Establishment with the
Treasury, Police Guard and Lock-up will be located in the latter as shown in the accompanying
plan.

3. These arrangements which have been nearly completed have been approved of by the
Board of Revenue and the Acting Collector, the latter of whom observes that the alterations
have resulted in the formation of a most suitable and durable structure in every way adapted
for the transaction of the Tahsildar's duties. Mr. Bunbury further adds that he apprehends
that the old Tirukalikundrum Talook Catcherry will realize at auction more than has been
expended in rendering the building at Chingleput so well adapted for its present purpose.

4. The expenditure on the work up to the end of November amounts to Rupees 926-7-4,
and I recommend that sanction may be given for the disbursement of the amount of the Estimate,
Rupees 1,040, from the Reserve Fund of the current official year.

Referred to the Revenue Department.

Chepauk,
12th January 1864.
