MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Superintending Engineer, 4th Division, Madras, 5th August 1864, No. 2085; to the Secretary to Government, Public Works Department.

I have the honor to forward, for the sanction of Government, Plan and Estimate, Rupees 7,300, which have been prepared at the requisition of the Superintendent Gun Powder Manufactory, for making certain alterations and additions to the Quarters occupied by the Overseer and Sub-Overseer employed at the Mills.

1. *Plan.*
1. *Abstract Estimate.*
1. *Specification.*

2. The Overseer's Quarters are to be so altered and improved as to contain a Sitting and Dining-room, four Bed-rooms and two Bath-rooms with a front Verandah, and it is proposed to add three rooms with a back Verandah to the Sub-Overseer's Quarters.

3. The Plan and Estimate have been approved of by the Inspector General of Ordnance and Magazines and the Superintendent of the Powder Factory—and both Officers are anxious that the work should be carried out this year. As, however, the whole of the reserve has been appropriated, and I am unable now to say whether sufficient savings will be effected on the sanctioned allotment for other works at the Presidency, I recommend that authority be given for the entry of the Estimate, Rupees 7,300 in the Budget of 1865-66.

Referred to the Military Department.
