*Proceedings of the Madras Government, Revenue Department,
23rd August 1864.*

No. 340. Read the following letter from Lieutenant-Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 8th August 1864, No. 524 :—

Sir,

1. In Order No. 1,663, dated 7th June, 1864 (Public Works Department,) Government sanctioned the transfer of the Arsenal at Palamcottah to the Survey Department as an office, for which purpose it has been for some time in use.

2. It appears by a letter from Captain Barber, Deputy Superintendent Revenue Survey, that on account of the high winds now prevailing and the consequent clouds of dust the Draughtsmen find it difficult to work and require some defence against the weather.

3. I have the honor, therefore, to submit for favorable consideration a proposal for enclosing one side of the building of which the Estimate, Abstract of and Report on Estimate, and Plan are appended according to order.

Copy of a letter from Captain W. Barber, Deputy Superintendent, No. 4, Revenue Survey, to the Superintendent Revenue Survey, dated Palamcottah, 27th July 1864, No. 282.

In consequence of the high winds prevailing in Palamcottah and the quantity of dust it is all but impossible for the Draughtsmen to work, I have therefore the honor to forward an Estimate, Abstract of Estimate, Report on ditto and Plan with a request that sanction for the same may be solicited. I beg at the same time to bring to your notice that as no expense is incurred on account of rent, it will be no loss to the Survey Department.

(True copy.)

Superintendent, Revenue Survey.

No. 341.

ORDER THEREON, 23rd August 1864, No. 1,529.

The improvements proposed in this letter are approved. Orders for the execution of the work will be issued from the Public Works Department.
