*Proceedings of the Madras Government, Revenue Department,
26th August 1864.*

No. 393. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E.,
Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Public Works Department, dated Waltair, 5th August 1864, No. 734:—

SIR,

1. In G. O. No. 1,788, of the 20th June last, Government sanctioned funds for the con-
struction of three small boats for the use of the Custom House Police in the Godavery District.

2. The Estimate amounted to Rupees 652-8-0, and was framed on the requisition of the
Revenue authorities, who furnished the length, width and depth of these boats.

* No. 107 of 22nd July 1864.

3. For reasons noted in the accompanying
original letter* from Major Stoddard, it appears
that these dimensions are unsuited for fast boats; he accordingly proposes to reduce their widths
and breadths and further to copper fasten them, and to supply them with masts and sails.

4. The cost of making these alterations and improvements will amount to Rupees 127-8-0,
which is beyond my power to sanction, consequently, in forwarding a revised Estimate for Ru-
pees 780, I beg that, should Government sanction it, they will grant the difference between that
sum and the amount sanctioned on the 20th June from the Reserve.

5. The Collector approves of the proposed changes in the build of the boats.

Referred to the Revenue Department, with reference to the Orders in that Department, No.
1,025 of 15th June 1864.
