*Proceedings of the Madras Government, Public Works Department,
3rd September 1864.*

No. 65. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Camp, Kodakanel, 17th August 1864, No. 840 :—

SIR,

1. Referring to paragraph 7, G. O. No. 2,152, 28th ultimo, I have the honor to point out the distinction between appropriation and expenditure. Estimates to the amount of Rupees 1,976 were sanctioned and reported to the Controller; but as the whole work could not be executed, it became my duty to report to Government that only Rupees 950 would be expended under this head and the balance would be probably available for other Districts.

2. The real amount expended was Rupees 952-13-4 or Rupees 2-13-4 in excess of the reduced allotment.

No. 66. ORDER THEREON, 3rd September 1864, No. 2,557.

Ordered to be recorded.
