*Proceedings of the Madras Government, Public Works Department,
3rd September 1864.*

No. 69. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 25th August 1864, No. 89:—

SIR,

With reference to paragraph 3, Order No. 2,389, dated 20th instant, I have the honor to point out that in Section 72, Chapter V of the new Code, it is stated that the discretionary allowance shall not provide for the repairs and maintenance of made roads, now the road from Anantapur to Tadpatri has never been made, and the allotment of Rupees 2,000 from the Discretionary allowance was for the improvement of a very bad portion of this important line of communication, where it passes over a range of hills.

No. 70. ORDER THEREON, 3rd September 1864, No. 2,559.

Ordered to be recorded.

(True Extract.)
