No. 71. Read the following letter from Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Major J. H. M. SHAW STEWART, R. E., Deputy Secretary to Government, Public Works Department, dated Tanjore, 24th August 1864, No. 1,201:—

Sir,

Enclosure 1.

1. Agreeably to Order No. 2,195, dated 1st August 1864, I have the honor to enclose a Statement showing the works upon which I would propose to expend the available funds in the Income Tax grants remaining as a balance on the 1st May 1864.

2. The Statement is forwarded only for the Trichinopoly District, as I would propose to transfer the sum available in the Tanjore District, Rupees 596-0-7, with the permission

G. O. No. 2,060, dated 18th July 1864.
Government, to Trichinopoly, in order to meet the excess expenditure incurred on the road ordered as the second one in the enclosed Statement.

3. Through the negligence of the Range Officer and Taluq Overseer, the work on the road from Lalgudy through Arealore to Wodiarpolliem was not stopped on the 1st May 1864, and Rupees 1,158-1-1, have been expended up to the 9th of that month. In addition to the sum of

Rupees 99-4-5 available in the District, I propose to transfer the above sum,* to meet this outlay, from the Tanjore District, where no works from the Income Tax grant are in progress. The balance† of outlay might be met from the allotment of Rupees 7,000 in the current Budget for the road from Trichinopoly to Salem via Torriore.

4. As there was no expenditure from the Fund in 1863-64 in the Tanjore District, I presume the transfer‡ on account of salaries from the balance available for outlay to the District

Conservancy Fund, as proposed by the Controller in his Report embodied in Order No. 2,060, dated 18th July 1864, is not approved by Government. Though the transfer was sanctioned in the Order, the subsequent one now under reply directs that the "net balance" only Rupees 77,682-9-0 is made available for outlay in the several Divisions, which sum does not include the above deduction for salaries.
