MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Controller and Auditor of Public Works Accounts, Madras, 15th August 1864, No. 891 ;
to the Secretary to Government, Public Works Department.

With reference to the Proceedings of Government, No. 2232, dated 4th instant, I have the honor to state, that no provision has been made in the Public Works Budget of the current year as a reserve for absentees, nor has it been the practice, since the introduction of the Budget system, to make such provision ; the Regimental allowances of Military Officers employed in the Public Works Department, in accordance with Section XIX, paragraph 40 of the Military Pay and Audit Regulations, having been made payable by the Military Department during absence on leave.

2. There appears to be no objection to the admission of this change in the Public Works Department, if the Government will arrange to transfer from the reserve on this account in the Military Budget, sufficient funds to meet it in the current year if the change is to take effect at once.

Referred to the Military Department.

(Signed) J. S. STEWART, Major, R. E.,

16th August 1864.

Deputy Secretary to Government.

Referred for the consideration and report of the Controller of Military Accounts.
18th August 1864.

Report from the Acting Controller of Military Accounts, Fort Saint George, 22nd August 1864, A.

I have the honor to return the letter of the Controller and Auditor of Public Works Accounts, referred under your docket of the 18th August 1864, and to observe that no specific provision has been made in the Military Budget Estimate for the allowances of absentees from the Public Works Department, nor is there any reserve in that Estimate.

2. The Pay proper of Officers employed in the Department Public Works was provided for in the Military Estimate prepared in this Office, but the amount was

transferred by the Military Finance Department to the Civil Budget.
3. Instructions to pass the Pay proper in the Military Department have, however, been since received.

4. The Military Estimate is framed upon the supposition that the payment of absentees from the Public Works Department will be about compensated by the Pay of the Officers appointed in their stead, from which charge the Military Budget is relieved.

5. The Pay of absentees should be disbursed in the Civil Department, the necessary provision being made in the regular Estimate, and there will be a corresponding lapse in the Military Department, the extent of which cannot now be accurately estimated.

ORDER, No. 3020, 30th August 1864.

Ordered that the foregoing Report from the Controller of Military Accounts be communicated to the Public Works Department.
